

ISSUE 74 SEPTEMBER 2007

## SUTTON VILLAGE COMMITTEE FUNDAY 2007

The Sun shone on Sutton for the new look Funday, a complete facelift to the day proved to be a terrific success. The park was full to the brim with the smaller fairground rides and stalls, charity and fundraising stalls, donkey rides, two full catering units, and the Sutton Village Committee Marquees serving cream teas and refreshments.

The Sutton Village Committee Arena hosted a programme of entertainment which proved very popular along with new attractions this year including the K2 climbing wall, Rodeo bull, and the Monday club with their ducking stool and across the road the thrill rides making it a day for everyone.

The procession was the best supported for many years with the fire brigade band leading followed by the gala queens, floats, scout band, walkers in

fancy dress and classic cars. It's great to see this tradition is still alive and well in Sutton and continues to flourish.

Sutton's gala queen Beth Shaw along with attendants Olivia Morrell and Lorna Preston were crowned in the arena and our and the retiring queen and her attendants were present with gifts as thanks for a years service.

Speech given on day by newly crowned Funday Queen **Beth Shaw:-**

"I would like to say thankyou to the Sutton Village Committee and to all the people who have worked so hard to organise the funday and for making it special for everyone. Thankyou to my mum, family and friends for giving me the confidence to be your gala queen. I hope everyone has a lovely day. Thankyou."

As Chairman I would like to say a big thankyou to the scouts and all our volunteers' whose hard work made it all possible, without you all the day would not of been the success it was.

A special thanks goes to Chris Leach MBE who did a fantastic job judging the procession entrants – not an easy task by any means.

To Angela Riley who co-ordinated our refreshments marquees and her team of helpers, and all the people who donated scones and cakes etc.

And to Leonard Thompson who let us have use of his field to host the thrill rides.

We look forward to seeing you all there next year.

Skills for Life

Tumble Tots is coming to Sutton-in-Craven. It might sound like another playgroup but those already attending Tumble Tots Centres in Keighley, Wilsden or Skipton can tell you it is nothing of the sort. Tumble Tots is an educational physical development programme designed to develop children's motor skills and build their confidence and self-esteem. It covers all ages from 6 months to 7 years in separate groups.

The programme has been established nationally for 28 years and was originally designed by an Olympic Gymnastics Coach to develop children's agility, balance and co-ordination during their formative years. At the same time it also develops self-confidence, self discipline and a sense of identity. During each weekly session Tumble Tots will provide challenging and structured physical activities using brightly coloured specially designed equipment.

Bars, trestles, ladders, balance boards, tunnels, hoops, balls and foam equipment are used to include all aspects of physical motor education designed to heighten a child's total body awareness. Action Songs and rhymes also help contribute to language development.

The Centre opens at Sutton Village Hall on Park Road on 10th September. The 45

minute sessions will run weekly during school term time. Sessions start at 1.00pm with walking to two years, followed at 2.00pm with 2 to 3 years, 2.55pm with 3 years to school age and 4.00pm for children at school up to the age of 7 years. The Gymbabes class (from 6 months to walking) runs at the other local centres but due to hall time constraints in Sutton cannot be offered at the centre.

Children under three are accompanied by a parent or guardian in the classes but once the child is three and more aware of his/her physical capabilities they are encouraged to join in unaccompanied. Trained staff supervise each session.

Anyone interested in attending classes will need to book a place as numbers are restricted in all sessions. Further details can be obtained from Andrea Dalton on 01535 636020 or 07894 260770 and bookings for all centres and sessions can be done online at [www.tumbletots.com/skipton](http://www.tumbletots.com/skipton)

## Tina Turner Night

Another fantastic night's entertainment at Sutton's Village Hall. Having been shown to our table by the smartly dressed committee staff, we waited for our guests to join us.

Music was provided by David's Discos, and the Hall had been decorated very nicely, it did look a different place. Platters of food were brought to each table, a lovely mixture of savoury goodies, pork pies, samosas, and other nice tasty snacks. Also a tray sweet things to please everybody with a sweet tooth.

David Harrison-Young,  
Chairman of SVC with  
Niqui Brown as Tina Turner

Tina arrived on stage in a flurry of pyrotechnics, and started her show. Much of her show was performed on the dance floor, as she needed a lot of space for her dancing. Which was a shame as we could only see her head from where we were sitting. A member of the audience was selected, and taken up onto the stage, where Tina performed a dance all over him. A raffle was held, with a great many prizes, which allowed a further £193.00 to be raised from this event.

After Tina's performance the evening continued with David's Discos providing music to dance to. A great number of the audience took to the floor, to dance with their partners. We left the Hall after midnight having had a great night, and looking forward to the next function.

Well done to the Village Committee once again, who provided their services for no cost, and all worked very hard, to make the evening the success that it was.

## Residents Letter

I am a fairly new resident to Sutton, having lived here for only 7 years. My Daughter attends Sutton CP Primary School, and I can safely say coming to Sutton was the best move we've made. Sutton is a beautiful little village, with lovely people living here.

For a number of years I have been coming to the Fun Day, even before I lived in the village, as my family also live here. Fun Days have been great days out for all of the family.

While living here my Son and then my Daughter have always taken part in the procession in some way, either on a float or in the fancy dress section. I feel that it is important to contribute some how to the Fun Day, should that be by joining the procession, or by helping the organizers in some way, it all aids in helping to make the day more

enjoyable for the residents and visitors to the Fun Day.

Unfortunately it seems that there are many Towns and Villages where the processions are so poor in attendance that it seems the Procession is over before its begun. I believe each year our Fun Day has been getting smaller and smaller with fewer things on the park to keep our children happy. **That was until this year!**

This year was by far the best Fun Day I have attended in all the years I have been coming to it, as a visitor and a resident. The Procession was the biggest I can remember it ever being, the field (not 1 but 2) were packed with rides and stalls galore. Thankfully the Sun shone but I don't think it would have spoiled the day if we had rain. Thanks to this years Village Committee and the helpers and organizers, this years Sutton Fun Day was a very, very fun day.

## Quote from Scouts –

"All members very much enjoyed the Funday and several were surprised that a small village managed to stage an event, which in their opinion out shone Skipton gala"

## Cross Hills FC Sutton Fields

Here we are again, at the start of a new season, with everything in front of us and all to play for. Last season finished up as one of our most successful for quite a few years, and if we can improve on that this season, it will be a bonus. Good Luck to all of our players. There have been one or two changes during the close season, the main one being Chris Reape, our first team manager has stepped down. He was offered the position of coach to the under 18's at Oldham Athletic which was too good a chance to miss. May I, on behalf of the club congratulate him and wish him every success in the world. Chris has been as stalwart of the club for many years, both as a brilliant player and Manager. He has been instrumental in bringing the standard of football to the current level we are playing today. Fortunately he will still be a part of the club, as a committee member and his influence will continue to be very important. A big thankyou for all of your hard work Chris, from me personally, and I am sure from every member of the club.

Moving on may I now welcome Damon Whiteoak, our new first team manager who has agreed to take over from Chris. It is a daunting task but I know that with his enthusiasm, and with his knowledge of the game he will be successful. All the best Damon in your first season, I can assure you of the full support of everybody who is involved with the club.

May I at this juncture thank Les at the Black Bull for his continued support and sponsorship. Be assured that you will have a full pub on match days. Finally, as always to our thousands of supporter, who flock to the games I can assure them that I have changed the tea bag for the start of the new season, but if anyone wishes to bring their own, I have no objection, and will only charge for the hot water, milk and sugar. My generosity knows no grounds. I wish everybody an enjoyable season.

All the best.  
Barrie Pearce (Chairman)
