## Queen Came to Sutton

Another full house in the village hall as Sutton Village Committee with the generous sponsorship from Graham @ H.B. Clark we were proud to be able to bring Mercury & May a Tribute to Queen, to Sutton Village Hall.

The Hall was fully decorated by Exclusive Eventz to give that Party Atmosphere, and Party Food Platters were Served to each table. Two Full Performances were given by 'Freddie' & 'Brian' ending with a Standing Ovation from the audience. With the lightshow and pyrotechnics the atmosphere was really electric.

Our thanks go to Graham @ H.B. Clark, who we could not have done it without. To Steve & Andy as Mercury & May who gave it their all. To David with his Disco and Exclusive Eventz Sponsorship, and last but not least, to all the volunteers who worked so hard to ensure the night went fantastically well, these evenings could not go ahead without you.

We are delighted to announce that after another extremely generous offer of Sponsorship by Graham @ H.B. Clark - 'Mercury & May' will be Back by Popular Demand on Saturday 14th February 2009!

## New Year's Eve Party!

New Years Eve was yet again another great success and a sell-out, with pre-ordered tickets for next year already fully booked.

The Blues Brothers along with Stateside did us proud yet again, it was their last performance together and they went out on a high! But we do look forward to seeing Andy 'aka' Jake back with his new sidekick Elwood, again in the future, and you never know - Duncan 'aka' Elwood might make a special guest appearance!

But the night would not be able to happen if it was not for the help and support of fellow Committee Members and the friends of Sutton Village Committee who all give up their time freely, working together to make your night an enjoyable success. I appreciate with all my heart all of the support freely given. So my Thanks go to - George and Claire, Jack, Jason and Jake, to Sid and Shelia, Raymond, Pat, and fellow Committee Members - Garry, James, Bob and your Chairman David.

Also a big Thankyou to everyone who donated raffle prizes and a Special thankyou to Graham for the bike and all the party boxes - which you all had so much fun with, and again for Graham's support all year.

I hope to see in the New Year with you again next year.

### CHAIRMAN'S REPORT 2007-2008

Looking back over the last year I can honestly say I am extremely proud to have been the chairman of a Committee who have worked so well together. The Committee has had a very busy year undertaking in the region of 30 bars, Funday, Bonfire Night, Robbie Valentine Party Night, Tina Turner Summer Party Night, Zac Bauman's Halloween Special Party Night, and The Blues Brothers New Years Eve Party. We were hired to do two race Nights for the Village Hall and a further two for other organisations outside the village.

This year has seen record breaking donations to organisations and groups within Sutton to benefit the villagers, details of which are contained within our hard working treasurer's report. We are very grateful as a committee to the volunteers who are also willing to give up their spare time, setting up and working the many events we undertake, it would be near impossible for us to stage as many professional events as we do without their help.

So I give my most sincere thanks to each and everyone of you who has given their help over the past year and look forward to your support in the future. Also to all of you who support our events – buying tickets to the Party Nights, Donating on the gates at our outside Events and for all the raffle and Tombola prizes you so generously donate. Thankyou to you all.

This year on a negative point the committee has had to change to some degree as regards the loaning of our equipment, due to insurance risk assessments and potential incidents which could jeopardise the future of our insurance. This in turn could seriously affect our ability to provide the events we do for the village, i.e. Funday and Bonfire Night. Also we have to pay for professional assistance in certain areas, such as putting up and taking down of the Christmas lights, the setting, wiring and firing of the fireworks for bonfire. All of this has a huge financial cost which with your continued support and generosity we can continue to strive for the best events in a village for miles around, with a Funday, Bonfire, New Years Eve Party, Christmas lights, and producing a village newspaper four times a year.

The Bar facility in the Village hall has gone from strength to strength. This year we will be having a complete refurbishment of the bar, enhancing

our facility for all hall hirers. Everyone who works the bar does so Free-of-Charge. With no wages to pay all proceeds raised from the bar go directly to support the Funday, Bonfire Night and Christmas Lights. I would also like to thank Graham at H.B. Clark for his very generous and continued support.

Funday was a huge success with the new layout and the generous donation from Mr Leonard Thompson of his Field to allow the larger thrill rides to come to Sutton. The New Fair and top quality catering units serving local fresh produce gave the quality we were looking for. The procession which was the best supported for years gave a kick-start to a fantastic day. The addition of the arena area enabled many local groups to showcase their talents. Funday is also a day which gives all local fundraising organisations a fantastic opportunity to raise funds for their cause. A new addition this year which proved to be very entertaining was the Monday Club with their Ducking Stool supporting their own village alongside raising funds for the Scouts and Manorlands. I look forward to seeing even more entrants into the procession and to keep improving this event with your support and look forward to seeing you all there again this year on Sunday 15th June.

Bonfire Night was again huge success, supported by thousands of people. This event took on a huge overhaul with a re-location to Thompson's Field, a change of date from the 5th - a first in Sutton due to us all having full time jobs but it proved to be the right decision resulting in the largest attendance ever. Mr Leonard Thompson stepped in and saved the day with his very kind donation of his field after the risk assessment failed for holding this event in the park. The Bringing in of professional Pyrotechnicians to stage the fireworks display was a definite plus, the comments from the audience were very positive including comparing them with the likes of Disneyland Paris. The large bonfire kept everyone warm and glowing; Kay's Catering was again another plus. We desperately need more help with the staging of the event, building of the bonfire, putting up lights, getting power and the manning of gates and marshalling of the field. The event literally broke even. With spiralling costs of staging such a large scale event and to continue with the improvements, we really do need your generous donation in the buckets. Following the huge attendance this

year's event will be held on **Sunday 2nd of November** again in the larger venue of Thompson's Field.

The village committee was able to assist with the Remembrance service in the Park by providing a P.A. system for the event and once again I was proud to lay a wreath on behalf of the Village Committee. This year saw the further expansion of the Committee's Christmas Lights Display through the village adding a further 8 decorations, bringing the current total to 30 fixtures, giving Sutton an excellent festive feel – to the envy of other villages and even towns! I feel the committee as a whole wants to continue with this project to benefit the villagers over the coming years.

This year our Events Co-ordinator – Christine Young really did push out all the stops, with top acts in the country performing for us! Both myself and the committee are proud to work alongside these performers. Over the year we have enjoyed the talents of –

- **Tony Lewis as Robbie Williams** – As seen on BBC1's 'The One and Only...' for Valentines.
- **Nicky Brown** with her tribute to Tina Turner in the summer.
- **Zac Bauman** - back by popular demand with a Halloween Special Show specially commissioned for the Village Committee providing a fantastic evening of Comedy and Song.
- **Illinois Blues Brothers** along with Stateside, back by popular demand brought in the New Year.

And the new year holds further fantastic party nights kicking off with 'Mercury & May' a tribute to Queen brought to you with the sponsorship of Graham @ H.B. Clark to enable us to bring this No.1 Tribute to Sutton.

A Big Big thankyou has to go to Christine Young our fantastic events co-ordinator for sourcing, staging and working so hard to give Sutton fantastic party nights to remember. Along with all the volunteers who give their time to ensure the success of these fundraising evenings. I applaud each and every one of you.

Finally in closing, a special thankyou to Garry, Val, James, Christine, Bob, Jackie and Roy all who supported me over the last twelve months and to everyone who has helped in any way whatsoever in supporting the Village Committee and the Village of Sutton-in-Craven.

## Cross Hills Football Club

At the time of penning this report (the first week in February) there is not a lot I can say. From a particularly good Autumn the weather has descended, as we all know into an absolutely vile Winter.

Since just before Christmas, to the present, there has been only one game played at Sutton Fields due entirely to the torrential rain which has been falling over the past few weeks, making the pitch unplayable. This has been pretty general throughout the West Lancashire League, with many other games being called off.

However by the time of the June report the season will be well and truly over, and I will be able to give you a complete account of the teams endeavours.

In the meantime, to keep the lads interested, I have arranged a series of water skiing races between the 1900 bridge and Holme Lane Bridge as the beck is in full flow. At the moment I am in the lead by 20 points. Not bad for a 71 year old. Only joking.

All the best.

## Village Committee Treasurers Report

### Year Ending 31st January 2008

Sutton Village Committee has had a very busy year in providing many high class events during this year, events which are all staged with the aim of successful, and well run events, especially the Social events where entertainers are used. These events are becoming sell outs on all occasions, often with a list of 20 to 30 hopefuls who are waiting for tickets to become available. We thank you all for your support.

For a small village community, the acts that have been booked have been brilliant, however this reflects in the cost of these acts. Even with these costs, and the additional costs to host these shows, they are still able to generate a nice profit. Much of the success of these events is down to the hard work and long hours of the the events Secretary Christine Young, and the very small membership of the Village Committee, and helpers.

This years Funday was a fantastic success, in using Sutton Park for the main attractions, and also Thompson's Field for some of the bigger rides. Everything clicked together very well.

Bonfire Night proved to be a challenge, after failing the risk assessments for using Sutton Park, other plans had had to be utilised, so that this event could continue. Once again Thompson's Field was offered as the venue for Bonfire Night, and what a great night it turned out to be. The attendance was massive in numbers, and from the feedback that was received everybody seemed to have a great time. This event is a very costly event to host with no tickets being sold, it relies solely on the donations made by the people attending the event. This years Bonfire Night managed to make £36.00, after all of the costs were taken out. A bigger and better Firework Night show is planned for 2008, which will also be hosted in Thompson's Field.

Due to the success of all of the events that have been hosted by Sutton Village Committee, the accounts are in a very healthy condition, even

though we have also had our biggest donations to date. The following has been donated to Sutton in Craven organisations:

Sutton Art Club.....	£250.00
Sutton Village Hall (Seating).....	£4,728.20
Tommy Tots Pre School.....	£200.00
Sutton Village Hall (Fire Doors).....	£3,350.00
Friends of Sutton CofE School.....	£250.00
Sutton Allotments Society.....	£20.00
Mothers Union Sutton.....	£50.00
Girls Brigade Sutton.....	£290.00
Christmas Lights.....	£3,995.03

A total of £13,133.23 has been donated to organisations in Sutton in Craven during 2007, the most ever in a year. All this from the hard work and efforts of a few people. The Village Newsletter continues to be a very colourful and newsy publication, which is sponsored by the people who advertise their businesses in it. From the monies paid by the Advertisers (£1340.00) we still find that the cost of production and delivery (£1507.00) leaves us with a deficit of £167.00 this year. Enquiries have been made with regards to adding another page to the newsletter, making it a 6 page publication, however this would double the cost of production, and the extra advertising gained would not cover this additional cost.

Many activities are provided by Sutton Village Committee, providing many benefits to Sutton in Craven. At times a great deal of help and assistance is required, to be able to do what we do. My thanks go out to the many people who provide their time and energy, to assist with such things as Funday and Bonfire Night. However more volunteers are always required, for the many types of events that are staged. Please don't be shy in coming forward to help with even the smallest function, or even by being an active Committee Member.

We are here to help. Please help us to help Sutton in Craven.

## South Craven Retired Men's Forum

The fortunes of the Forum continue to prosper, the influx of new members in the last quarter has continued. A steady flow of retired "gentlemen" have come along to the Baptist Church Hall on Tuesday mornings at 0930, to see for themselves what we have to offer. They have obviously enjoyed the experience and become members.

So why not "go with the flow" and come along, you may enjoy what we have to offer. What does it cost? Annual Subscription is just £3.00,

with weekly attendance fees of 50 pence per week.

What do you get for that? You will start with Coffee and biscuits, and a social get together, followed by a slide travel show, or a talk on a variety of subjects.

So come down soon, and see what we are about. I will be on the door to welcome you! My name?

## Sutton in Craven Cricket Club

I was delighted to be asked to assume the duties of Chairman in November 2007. I very quickly realised that the task I had taken on was far bigger than I had ever imagined. After the initial onslaught of information I set my mind to work to try and think of one word that would best suit the needs of the club today and that word is "volunteers". They say that behind every good man is a good woman and behind every successful club are good volunteer's, and I believe that Sutton-in-Craven Cricket Club is no different to any other club in the Craven League, but, we can be, over the last year the previous committee has worked extremely hard to put Sutton-in-Craven Cricket Club on the map and we as a club have now introduced a five year Development Plan which includes re-development of the pavilion and training facilities, we are also aiming to become the first club in the Craven League to achieve an England Cricket Board accreditation called Clubmark. This recognises good practices in the safety of children and development of youngsters wanting to get involved in cricket. We have undergone a major restructure on the management team but still require more assistance, and here comes that word again 'Volunteers', the club still requires more volunteers to help not only on the various committees but with the day to day running such as helping out on match days, assisting with training of juniors and seniors alike or just being there as a first aider if qualified. There are numerous jobs that volunteers can do, so if you are a player, parent or a simply interested in helping you local club please come forward and volunteer your services.

## SUTTON-in-CRAVEN CRICKET CLUB REALLY DOES NEED YOU!

Finally the club will be running 3 junior teams this year and will be Under 13, Under 15 and Under 17 age groups, we are working together

with the England Cricket Board and the Yorkshire Cricket Board to deliver a comprehensive and structured training plan to enable logical progression through the age group and in to the two senior team. A registration evening will take place on the 20th March at south craven Schools Sports Hall from 6 – 7pm for all juniors wishing to play. Parents are welcome to come along and meet the coaches and managers.

Thank You  
Stuart Robinson

## Forthcoming Events
