his wife Aldath

QUEEN BACK BY POPULAR DEMAND

Another Full House in the Village Hall. Sutton Village Committee with the Generous Sponsorship from Graham @ H.B. Clark were proud to present yet again Mercury and May – A tribute to Queen.

The hall was decorated around a Valentine theme, and Party Platters were delivered to each table, a gift kindly donated by Graham was also given to each of the ladies by 'Freddie and Brian'. The light Show and pyrotechnics, the electric performances given

by 'Freddie and Brian' a top class act were just awesome leading to standing ovations from the audience.

Our thanks go yet again to Graham @ H.B. Clark, to Steve and Andy as Mercury and May – a pleasure and a privilege to work alongside, to David with his Disco complete with effects and his sponsorship from Exclusive Eventz towards the overall effect. Last but not least to the volunteers who worked giving their

time freely doing whatever it took to ensure a fantastic night for all. A heartfelt thanks to Phil, Carol, Ken, Joy, George, Claire, Sam, Sid and Sheila. Also James, David, Jackie and Bob thank you to each and everyone of you.

Queen will be back again by popular demand Saturday 13th February 2010. Pre-bookings for this concert now being taken.

WANT TO FIND OUT MORE ABOUT FUTURE DEVELOPMENT IN CRAVEN?

Come to a Local Development Framework Information Event!

Craven District Council along with the Parish Councils of Sutton and Glusburn and Crosshills have organised a series of 'drop-in' sessions to provide information about the new development plan.

Come along to find out more about:

- What the Local Development Framework is
- How new housing numbers for the area will be decided
- How future development sites will be chosen
- The procedure for producing the new planning documents
- The next steps for the Council
- How to get more involved in future public consultations on the development plan

The sessions will run from 2pm till 8pm on the following days:

- Thursday 12th March, St. Peters Church, Crosshills
- Wednesday 18th March, Sutton Park Pavilion
- Tuesday 24th March, Glusburn Institute

The events are intended to be informal and officers will be on hand to answer your questions so pop in for a chat!

For further information please contact Craven District Council Planning Policy Team on 01756 706472 or your local Parish Councillor.

Sutton in Craven WI

The WI meets monthly on the second Monday of each month at 7.15pm, when there is a lively programme of talks and demonstrations, eg. Cycling in Cuba, birds of prey, Financial Assistance, Cliffe Castle and a cake demonstration for Christmas. There are also small competitions for fun.

Outings this year will visit Horticap at Harrogate, and later in the summer, Lancaster.

Sutton in Craven WI was formed in 1953, and the first meetings were held in Bairstows Recreational Building. Later the meetings were held in the Community Primary School, then the Church of England VC Primary School. Our current location for meetings is in the Senior Citizens Centre on North Street. New Faces are always welcome both as new members or as visitors.

Sutton Village Committee New Years Eve Party

Event Co-ordinator Christine Young and Chairman David Harrison-Young with dynamic duo Manalive

A fantastic night, Manalive a Dynamic Duo did a fantastic job entertaining the sell out crowd. Their high energy performances really got the audience going, even leading a 100plus conga round the hall. And Davids Discos lead-up hype to midnight, the New Year was brought in with fantastic pyrotechnic and snow effects, Confetti cannons and balloons.

The crew who put it all together

A big thank you has to go to the handful of members and friends of the committee who gave their time willingly and for free, non-stop from 9am new years eve until 3am the next day and then coming back 6 hours later to clear the hall again working until 6pm, giving their new years holiday to ensure the night was the tremendous success it was.

Also I would like to extend our thanks to all who so generously gave raffle prizes, to Sidney for the fantastic job he does selling the tickets raising in excess of £300, and to everyone who supported the event.

Over 150 tickets have already been booked again for next year, so to ensure your place Contact me on (01535) 636639. We look forward to bringing in the New Year with you alongside the Blues Brothers.

Sutton in Craven Village Hall AGM

The Management Committee of Sutton Village Hall invites all residents of Sutton in Craven to attend the **"Annual General Meeting"** to be held on Sunday 15th March at 6pm. During this meeting information will be provided about Sutton's Village Hall, and a vote will take place, to select the new Management Committee for 2009. Be there to support your Village Hall.

SUTTON VILLAGE COMMITTEE - CHAIRMAN'S REPORT 2008-2009

Once again I have the pleasure of being able to write the annual chairman's report. It has been a pleasure to work with and chair such an enthusiastic vibrant committee.

The first thing that I would like to say is a big thank you to everyone on the committee for all their efforts and hard work all through the year and it is down to them that all of the events the committee stage - Valentines Party, Funday, Halloween Party, Bonfire Night and New Years Eve Party are the great successes they are, due to the enthusiasm, hard work, and dedication shown by the small committee of dedicated members.

I would like to add a big thank you to all the volunteer friends of the committee, whom without we would find it impossible to stage these large scale events. To the villagers who so kindly donate raffle and tombola prizes and also to Graham @ H.B. Clark for his generous sponsorship and donations throughout the year.

Alongside the large events done for the village we also run in excess of 30 bars at the village hall, mobile/outside bars, Race Nights - we did 4 last year - 2 in Sutton, 1 in Skipton and 1 in Silsden, all of which raise funds for our village.

I would like to take this opportunity to say that All the staff working any event whether it's Funday, Bonfire Night, the Party Nights, Race evenings, outside bars or bars in the village hall - All Who Work Completely Free of Charge to benefit our village. Yes I know it's hard to believe that people work long hours for free, but trust me it's true.

The year all in all has been very successful - all the New Year, Valentines and Halloween party nights have been complete sell outs, we are privileged to have such top class acts perform in our village.

The Committee bar facility has seen a large increase in bookings, the welcoming of the New Bar structure has already raised the profile and professionalism we can offer with this service. This in turn has seen a large increase in bookings for the village hall. This coming year the committee hope to decorate the bar room to complement the fantastic new structure and link in with the overall improvements done in the hall.

The race nights are picking up momentum and again we are doing more bookings helping other individuals and organisations to raise money for their own causes.

The Funday has gone from strength to strength with new attractions, bigger procession and our cream tea marquee was very popular. So I would like to thank everyone who supported the committee.

A downside to our year was the Bonfire and Fireworks display which made a Huge loss which has put it in jeopardy of not going ahead which would be a great shame, unless the donations on the gate prove to be more generous. The committee has decided to give it another year to see what happens. So if you want it to continue, then show your support in the buckets for it!

And lastly to the end of the year and the Christmas lights which again brighten up the village over the festive season. This is a project both myself and the rest of the committee are hoping to expand as lampost changes allow.

Also I feel I must point out that despite popular opinion the Village Committee and all the events we provide throughout the year like Funday and Bonfire Night are purely funded by your donations and the hard work of our members and volunteer helpers who work tirelessly for free.

We have No grants, government or council monies to provide for anything we do - just the hard work and dedication of the few Officers, Members and Volunteer Friends of the Committee.

Finally I would like to say a few special thank yous; to Mr Leonard Thompson & Family for the kind Donation of their Field for Funday & Bonfire Night, to Garry Petersen who has done a tremendous job as our Treasurer, to Christine Young our Events Coordinator who really gives it everything she's got to ensure the success of all of our events, Val Wolff for doing a brilliant job of the minutes, Jacky Dickinson as my Vice-Chair and of course our members.

We as a committee do whatever it takes to get the job done and to keep Sutton a Village to be proud to live in and be part of.

Sutton in Craven Village Committee Treasurers Report for Year Ending 31/01/09

The Village Committee, has once again had a very busy year, providing some excellent events throughout the year. These events have all been of a very high standard, and also very well attended. Our Bar in the Village Hall goes from strength to strength, having been renewed this year. As the Bar has to be a removable piece of equipment, we had the new bar designed as a number of units which all lock together, and are mounted on wheels to allow the movement of these units.

The Bar really does look fantastic, and is so much easier to use, allowing us to offer a very good service to anybody who wanted to hire Sutton Village Hall, and wished to have a bar service with their event. A good range of draught lagers and bitter are available, along with a very full range of other complimentary drinks such as wines, spirits, bottled cold drinks, and soft drinks for those wishing to keep a clear head. The bar is a very important asset of the Village Committee, as it produces a very high level of the Village Committees funds.

Once again Funday was held on Father's Day, and the weather held for most of the day, making it a very enjoyable event, big crowds turned out to attend the event, which allowed all of the stalls and fundraisers to take some money on the day. As a first, the Village Committee allowed all Sutton based organisations a free pitch, giving them a chance to make more from the day, to benefit their organisations. The parade was very well attended, possibly the longest parade seen in Sutton, with 2 bands, and a great variety of other entrants, and loads of colour. Once again, having the Park as the

main focal point of the Funday, and Thompsons Field for the bigger, scarier rides worked very well, especially as it was possible to close off a part of the road, so that it was safer for everybody to cross between the two sites.

Bonfire Night was staged once again on Thompsons Field, and this being the second year on this site, we knew more of what was needed to be able to provide a safe event, with attractions to pull in a large crowd. To some degree we were fortunate with the weather that we had, there was some rain, which made it difficult to get the fire started, but the Fireworks were fantastic, and enjoyed by everyone that I spoke to. It seems a shame, that after such a good night, and with the attendance that we had on the field, that the donations made by the public, were minimal, an average of 40p per person. This event actually made a loss of £2500.00, which is a travesty considering the very hard work that was put into it by members and helpers of the Village Committee. This leads to decisions having to be made about next year, should the event be changed to a fixed entry charge, should the event be cancelled like so many other communities have done, or do we carry on as we have, and hope that more money is donated by the attendees.

The Village Newsletter continues to be delivered through the doors of Sutton in Craven, with the great support of the Businesses that advertise within the publication, and who pay for the cost of it. This year is possibly the first time that the newsletter has been able to break even, allowing the publication and delivery charges to

be completely covered by the advertisers fees. This bright and colourful publication, providing news of ongoing events in Sutton, from the many organisations based in Sutton. I hope that this success continues well into the future. Our distribution is currently at 1500, which will soon have to increase to allow some spare copies to be provided to our advertisers, and also to cover the growth in the village.

The Village Committee in Sutton is a very small group of people, who are very active in promoting Sutton in Craven. A small village, held in awe during the Christmas period because of the wonderful Christmas lights that hang around the Village, making everything look beautiful and very festive. Some bigger Towns cannot compete with what we have. This same small group of people also work hard serving on, in the bar in Sutton Village Hall, where much of the committees profits are made, which allow things like the Christmas lights to be purchased, and also to cover such things as the losses of the Bonfire night. How nice it would be for a greater pool of volunteers to be available, who would be able to assist with just a few of the events that are put on, to allow the few that always do, to have some time off.

With Sutton Village Hall becoming a busier place, due to the bookings that are taken for parties and events requiring the bar, 2009 is going to be another busy year for the Village Committee, please come and help us to make it a great 2009.

Garry Petersen, Treasurer - Sutton Village Committee

Crosshills FC

At this moment in time the season is well over halfway through, and as I reported in the last issue both Senior sides are still in the bottom half of their respective divisions. The obnoxious weather has had an adverse effect on the teams performances as the lads have not been able to train and no games have been played over the last 6 weeks. Since the weather moderated however a couple of games have been played and the season is beginning to creep into life again. On a more positive note one

of the games was a semi final of the Keighley and District Cup against Oxenhope FC, which we won 1-0. As the current holders of the trophy we will be defending it sometime in May. At least there will be some silverware to come at the end of the season. Both Junior sides have been similarly affected by the weather, so there is nothing much to report. By the time of the next "Village News" I will be able to give you a more detailed review of the season. In the meantime I hope our local supporters will continue to do so and we look forward to seeing you in the weeks to come.

All the best - Barrie Pearce

Sutton in Craven Cricket Club

November 2008 saw the Cricket Club hold its Annual General Meeting and the committee was re-elected pretty much the same as last year. As we move into 2009 the club continues to gather its momentum in going forward. New targets have been set for the year and the main theme is to consolidate our clubmark position and ensure that the junior section gets the training and encouragement that they deserve to enable them to continue the winning streaks that all the junior teams showed last year. This year we intend to field three junior teams at the under 13, under 15 and under 17 levels, players of all abilities are welcome to come and join the club, should anyone wish to join they can obtain further details from our web site www.sutton-in-craven-cricketclub.co.uk or any club official.

We will be holding a Kwik Cricket festival on Thursday 21st May 2009 1pm 4pm, this involves eight junior schools from the local area participating in a knock out competition, there will be over 100 children participating and it is a fantastic sight to see. Why not come down and see for yourselves and

maybe even lend a hand we would be delighted to see you.

The club also intends to further the development of the new pavilion and by the close of the season in September we hope to have plans drawn up and planning permission in place which will then allow us to further the exploration of grant funding. We have already had a small grant approved and this has enabled us to renew some of the aging ground equipment.

The senior teams are currently practicing in the nets at South Craven every Sunday morning 11am 12am and are delighted to welcome some old faces and some new one's, Steve Doane has been elected as first team captain and Paul Williams the second team captain with Chris Williams and Chris Todd acting as their vice captains respectively. Once again this year the senior teams will be aiming to improve on their positions in the Craven League divisions two and five. Finally I wish to thank all our sponsors for this year your support in this difficult time is very much appreciated.

Thank You - Stuart Robinson - Chairman Sutton CC

For Hire...

Did you know that you can hire Sutton Village Hall? The Village Hall offers a large space which can be used for a great number of different types of event, Birthday Parties, Christenings, Wedding Receptions, Anniversaries, leaving parties, the list goes on. For a smaller event you could consider hiring the meeting room, which is 20' by 18', ideal for having a meeting for up to 30 people, at a very low cost.

For the larger events you might like to consider the Bar facility that is provided by Sutton Village Committee, a fully staffed bar, stocked with all the different types of drinks any party would need. Hire any room and you will get the Kitchen for no cost. We also offer a 200 piece Dinner Service and Cutlery, which is available for use in Sutton Village Hall for a function having food with their function. For advice and booking information please call the Bookings Manager on 01535 637160.
