# Bonfire & Fireworks Display in jeopardy

It is with deep regret that Sutton Village Committee's Bonfire and Fireworks Display will possibly not be able to go ahead this year.

With more stringent Health and Safety Regulations and Risk Assessments required, the area needed to be able to hold a public fireworks display with the required safety distances from houses and the crowds is a massive area and it appears we no longer have

any areas that are available for use in the immediate vicinity.

We fully appreciate the Thompson family's personal reasons for the withdrawal of the previous offer of the field and we would like to thank Mr Thompson and his family for the kind and generous use of their land over the past 2 years which came to the rescue when we lost the park due to changes in legislation which caused

the park to fail its risk assessment for a bonfire and fireworks display. We have contacted many land owners and looked at many possible sites, all of which has come to no avail. If you do know of any area's large enough and the land owners would be open for us to use it, please contact us urgently! We are sad to see a safe and organised display having to be cancelled.

We are **only left with a few weeks** to secure a suitable site or unfortunately it will have to be cancelled.

# New Bar / New Bar Room

Sutton Village Committee are proud to announce that at our *Elvis evening* in May we opened the newly refurbished Bar Room at Sutton Village Hall. Following the replacement of our bar structure

last year with the one shown in the pictures we felt it only fitting that the new bar should stand in a suitable setting, so the Village Committee Members put a lot of hard work into stripping back the

room and bringing it completely up to date. The Village Hall now has a beautiful Bar Room to compliment the rest of the Hall for any fundraisers or private parties held at the Village Hall.

## Cross Hills Football Club

At the end of the football season there is no good news from the Football Club, as our 1st team are sitting in the relegation zone of the 2nd Division of the Lancs League. Our 2nd team are also occupying the lower regions of the Reserve Division 2.

The teams have suffered greatly this season through injuries at crucial times, and very often we have been unable to put out our strongest teams. Our 2nd team are a group of very young lads who if they all stick together, and pick up a lot of experience in the future, will do very well. At the moment they are competing with teams of much older players, who carry a lot of experience with them.

It's not all doom and gloom, as the 1st team did bring in some silver ware this season. They won the Keighley and District cup again for the second year, beating Steeton 1-0. Well done the lads.

I would like to offer a big thankyou to all of the back room staff, who with their hard work have kept the club going very well, a thankyou also to the strong spectators, who have played their part very well. This season has seen some fantastic support from the Black Bull, and my thanks also go to Les and Sue for their wonderful support, and the lovely food that has been provided during the season. Many of the teams that we have played at home have said that it is the best in the whole of the West Lancs League.

Everybody will be pleased to know that I have hung up the tea bag from last season, and we should be able to get half way through the next season, before we need to buy another.

Best Wishes

Barrie Pearce - Chairman

## Retired Men's Forum "A Tribute"

Us Men go down to the forum, every Tuesday morn, No matter if it's snowing, or if the weathers warm,

The smiles on our faces, displays our happy lives, or is it cos we've got away from our loving wives?

We start off with a Coffee, and biscuits, more than one, we love the coffee ladies and being waited on!

The Eric takes the mike, he's the chief announcer,

he is quite a large chap, built like a night club bouncer.

Every Tuesday, is such fun, with much variety, slide shows, talks, music, songs and even poetry.

Maurices walks are popular and very well renowned up those hills, and down those dales, lovely places found.

And then we have the Forum trips, so well subsidised, Carlisle, York, Eden Camp, nowhere a surprise.

Christmas Dinner at Coniston Hall, such fun, we even sang they gave us christmas crackers, they went off with a bang.

And don't forget Forums success, is due to us that attend come on boys lets keep it going, bring along a friend!

And finally, the comradeship and friendship we all seek, we get all that for free, every single week!

**Polite Notice** Could all residents along the procession route please ensure all vehicles are cleared from the route between 11am and 1pm to ensure free and safe movement of the procession round the Village. Thankyou for all your help in this matter. - Sutton Village Committee
