

ISSUE 84 MARCH 2010

SUTTON VILLAGE COMMITTEE CHAIRMAN'S REPORT 2009-2010

It is time again for me to write my Annual Chairman's Report.

The past year has flown by so quickly, it's yet again been an extremely busy year for the committee. A year with many situations to overcome in regards to being able to stage both the Funday and the Bonfire Celebrations.

For the Funday we are grateful to Beck homes who came to our rescue and enabled us to site the rides on their land this year and to the Thompson family for their help in previous years. However there are no further areas for these rides to be sited, so we have had to look to the future and to enable a Funday to continue for everyone for years to come, we are pleased to say we are working closely with the Parish Council who've been a tremendous support to making it a possibility to site the full Funday in the Park.

The Bonfire and Fireworks Display was secured at the eleventh hour by the kindness of the Smith Family who came to our rescue when all other avenues had failed to comply with the Health and Safety requirements. The weather was another challenge and this led to us having to postpone the event for everyone's Safety for the following week, meaning a huge amount of work for the committee and the volunteers in getting the required infrastructure back in place. The event also made a tremendous loss and the committee has had to make the decision to stage it again next year where an entrance fee will have to be charged. This year alone the Village Committee's insurance premium has gone up by approximately £1200.00.

Alongside the Funday and the Bonfire we also run in excess of 30 bars a year at the

village hall. This year we have completed the refurbishment of the Bar Room to complement our new bar we had made last year. The refurbishments included installing air conditioning, new floor covering and panelling and decorating the whole room. Our thanks must go to Mr Sidney Harrison for all his hard work doing the decoration and donating his skills and time. The Bar is proving to be very popular and we are seeing an increase in bookings and are proud to work alongside the Hall Committee in making it a more and more popular Venue that Sutton can be proud of. When people think of the bar they think of the 'bar staff' - the word 'staff' implies that the people working behind the bar and glass collecting get paid for their time - this is not the case - they are all volunteers who give their time for free 'with a smile' as part of the team.

The Committee party nights - the Valentine's Party with the Mercury and May and Elvis Tributes and the New Year's Eve Party with the Blues Brothers were all sell out crowds with an electric atmosphere and were enjoyed by all those who attended.

Both my own thanks along with those on behalf of the committee has to go to Christine Young our Events Co-Ordinator who works so hard to stage these events and make them the tremendous success that they are.

I am also pleased to say that we have been out on numerous occasions doing our race nights enabling others to raise money for their causes. I am also pleased to say that the committee has taken the decision not to charge our usual race night fee for Sutton based charities if they organise a race night

at Sutton Village Hall, therefore helping our village hall with a booking and local organisations to raise more money.

The Committee Christmas Lights looked stunning again around the village, complemented by the trees put up by the volunteers from the Kings Arms. This year the committee has started looking into extending the display where possible with more Christmas lights to brighten up our village over the winter nights.

I would also like to welcome on board our new newspaper deliverer - Jean Boreham who along with John Dickinson have done a fantastic job of delivering our village news to homes in Sutton. Jean took over from Michelle Aprea in December so on behalf of the committee I would like to extend our thanks for the tremendous job Michelle and her family did over the last couple of years.

On closing I would like to say I am both proud and honoured to be the chairman of such a committed and hardworking committee and group of volunteers who help whenever needed, volunteering tirelessly, committed to our cause, I would say great ambassadors for Sutton.

I must say a big thankyou for the support from the officers, Garry our treasurer and newspaper editor - a sterling job he does, Val our most efficient secretary, Jackie my vice-chair - who is always there for me, Christine who works tirelessly as bar manager and events co-ordinator.

To Bob doing whatever it takes and James who puts the fun into all the events we do.

I hope we can continue to do our best over the forthcoming year for our fantastic village and would like to again thank all the villagers who support us.

David Harrison-Young

Sutton Village Committee

Queen Party Night

Sutton Village Committee are proud to have presented another sell out party night with the fantastic Mercury & May, a top tribute to Queen, and music by David's Discos. The hall had a Valentine's theme, the atmosphere was electric, as one attendee said 'the place rocked!' it certainly was a night to remember.

A big special thankyou has to be said to the committee members and to the fantastic team of volunteers whom without, the success of these events would not be possible. All the help given in setting up, working the function, clearing up, providing the raffle prizes, obtaining and collecting the food for the party platters, we do appreciate all the support given. So much so we are looking to stage another night with Queen in the future.

Editors Thank You

At the start of another new year, I would like to offer my thanks to the many businesses who advertise on these pages, those that advertised last year and years gone by, and those that are advertising this year. Without these businesses Sutton would possibly not have a quarterly newsletter, delivered through every door in Sutton. A colourful publication

offering news and updates from a variety of organisations in the village.

If any of our readers needs the services of these businesses, it would be great if you called them to find out what they can do for you, to help you with your needs, please also mention to them the newsletter.

Many thanks to our advertisers, and our delivery people.

Sutton-in-Craven Cricket Club

At the cricket club AGM, Simon Doane was elected as 1st team captain for 2010 with Paul Williams remaining as 2nd team captain.

Winter practice is taking place on Sunday mornings at 11.00am at South Craven School. Old and new players are most welcome.

This year the 1st team will play in the Craven League Division 2 and following their promotion in 2009 the 2nd team will play in Division 4.

The season starts on Saturday 17th April.

We are again running junior sides at the Under 13, 15 and 17 age groups. We will be advertising the junior registration and practice evenings in the village in March/April.

During April the club is once again taking part in the Nat West Cricket Force Day. This is an event where clubs across the country co-ordinate activities for club members and volunteers to prepare their grounds before the season commences. During the past 2 years we have been extremely grateful to receive the support of tradesmen in the village to build a new scoreboard and replace the roof on our changing rooms. Last year we dealt with a 'stone sump' (an old Well for collecting water) which had suddenly opened up on the outfield.

The club website is undergoing an update before the season starts and all the latest news, fixtures and scores for both senior and junior teams can be found on the site:

Cross Hills FC

At the time of penning this report, ie Feb there is not much to say on the playing side, owing to the fact that we are fielding only one side, coupled with the extreme winter conditions, games played at Sutton Fields have been very scarce.

As a club we are determined to see out the rest of the season as successfully as possible. Big decisions have been made as to the direction in which the club is going to go in the future, and with help of all of the players and the determination of a very hard working committee these will come to fruition for the start of the next season.

On the social side a "Race Night" is being planned to take place at the Black Bull, in the near future, a fixed date not yet determined,

so look out for posters. If you fancy a good night out come along.

This just leaves me to say a big thank-you to our hosts, Les and Sue at the "Bull" for their generosity and hospitality to the club, we do appreciate it.

To complete this report I would just like to bring you up to date with the tea bag, which was so kindly donated to the club by one of our big hearted supporters. Owing to the few home games being played there is still plenty of flavour in it and I can see it lasting to the end of this season. As the host with the most in the kitchen on match days I would appreciate some feedback from our loyal supporters and no swearing please.

All the best
