## Sutton Juniors Football Club

The 2011/12 Season is now well under way!

The senior side is now settling in to playing 'Adult Football' and although results have not gone as well as we might have hoped, recent performances have shown a marked improvement, culminating with our second win of the season overturning an earlier 1-3 defeat which shows the improvement we have made.

The season so far has been frustrating with lots of early injuries which has meant that I have been unable to field the same team twice! Now that we are coming back to near full strength I am confident that results will start to go our way and we will quickly climb up the league.

Sutton U7A team have hit the ground running with some outstanding performances already this season. Having played 15 games to date - the team have won 10 and drawn 1 and scored 53 goals in the process. The team were also kindly invited along in September to play a Manchester City Development Centre, which saw the team perform magnificently with great skill, energy and enthusiasm in 4 very closely contested and tight games. Let's hope the boys keep it up for the rest of the season. Anyone interested in their son or daughter joining the U7 team should contact Steven Broadbent on 07790 727196

The Under 10 Rascals are having a great start to the season and currently top their division, whilst the under 11s are currently third. The Under 12s Rogues are also sitting pretty at the top of their division. The under 13s, 14s and 15s are finding life tough going this season but I am sure will get to grips with it before very long.

We are looking to have our own facilities in the future and as a club we are fundraising to move us in that direction, we have been up to all sorts, from bag packing in Tesco, Sponsored Cycle rides to the 3 Peaks Challenge we have been very busy recently and have raised almost £5,000. Our own facilities would make life so much easier for everyone involved with the club, and indeed the whole village, our own facilities would really enhance the sporting experience for the village. Anyone owning land around the Sutton area that would be interested in talking to us about the possibility of using a part of it can contact me on the number shown below.

We are always looking for enthusiastic new players and helpers for all of our age groups, and contact details for all ages can be found on our website at **www.suttonjuniors.co.uk**

All the best - David Walker

## Cross Hills Football Club

At the time of submitting this report to the 'Village News' the season is well underway and both senior sides are in very good positions in their respective divisions of the Craven League, with games in hand on the teams in front of them.

All being well and with the standard of football being played things are looking very positive. Time will tell.

Both junior teams are also going well and I would recommend a visit to 'Sutton Fields' on Sundays to watch the lads, who are producing some excellent football, they are a joy to watch.

After 60 years as a member of the club and after a great deal of thought I have finally decided to resign as chairman and committee member of Crosshills football club, as I feel the position should be held by somebody considerably younger. I am

delighted that Steve Birch had taken over and I wish him all the best in his new position.

Which means, of course, that I will no longer be in charge of the kitchen. I have informed the R.S.P.C.T.T. (work that one out!) No? Royal Society for the Protection of Cruelty To Teabags, to ensure that the new person in charge treats the teabags with the consideration and respect they had become used to when I was there. The Society have informed me they will keep a close eye on the new situation.

So that's it.

I have agreed to keep writing a report for the 'News' to keep our loyal supporters and villagers up to date with the clubs activities and progress so you haven't got shut of me all together.

All the best - Barrie Pearce (Chairman)
